KAYAKING THE EXEMPLARY OXBOW

Adopt a Creek is an eco-links signature activity engaging community, business and individuals on the Rancocas Creek Water Trail. A unique set of circumstances froze the Mt. Holly Oxbow Channel in 1941. Twice a day the tide rolls through. Public access is exemplary. Paddlers and non-paddlers alike unite and clean up the creek and creek banks.

Join a Day of Cleaning Up the Creek
 Saturday April 13, 2019
 Mt. Holly Oxbow

Organized by volunteers and local residents in the 360 Square Mile Rancocas Creek Watershed Adopt a Creek is about involvement, supporting local business and being outdoors that enhances public access and promotes water quality.

ENTERTAINMENT & SHOPPING FOR ALL

Adopt a Creek is an activity based community focused program both on and around the Mt. Holly Oxbow Channel including creek cleanup, ecological speakers and a personal time trial competition. Younger participants can try their hand at kayaking.

Support Local Commerce - Throughout Mt. Holly local brew pubs, distillery, stores n vendors provide refreshments, meals and a variety of eclectic crafts are found down in the Mill Race Village
